From 20 May 2018 all vehicles first registered more than 40 years ago and meeting the criteria for being a 'Vehicle of Historic Interest' (VHI) are exempt from MOT testing. DfT guidance on this can be found at:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/670431/vehicles-of-historical-interest-substantial-change-guidance.pdf. Consequently, we shall require documentary evidence of the roadworthiness of such vehicles. This may be in the form of a valid voluntary MOT or a roadworthiness inspection record signed by a person competent to undertake such inspection. The inspection should be carried out in accordance with the relevant DVSA Inspection Manual (Class 5 or 6). Please supply copies of your insurance certificate, MOT certificate or roadworthiness inspection record and Category D drivers' licences with your entry or at least two weeks prior to the event and bring originals for checking on the day of the event. All rear entrance vehicles used in service must carry a conductor.

I confirm that any driver of the vehicle entered by me holds a current licence of the appropriate class. I confirm that the vehicle will be presented in a roadworthy condition and documentary evidence of roadworthiness will be provided in accordance with the above requirements.
